***Advantages of travel/commute by Train :***

1. Economical - costs about Rs. 10/- to Rs. 35/- (depending on DEMU or MEMU)
2. Safe
3. Comfortable - in terms of moving/luggage space, wash room, etc.
4. Environment-friendly
5. Will help reduce road traffic
6. Scenic route, esp. between Yelahanka & Airport Rly Stn ; KIAD Airport Station worth visiting
7. You will help this mode of commute succeed and improve. This is important for Bengaluru since there is no commute option other than road for the next about 3 years.
8. If you are picking up/dropping someone - at least for one way commute it is good option
9. Great option for commute to visit Airport for other purposes, e.g., plenty of dining/shopping options at Airport, or just to spend some relaxing time there.

***YES, IT MAY NOT SUIT MANY , BUT THE ONLY HOPE OF IMPROVEMENTS IN THIS MODE IS WHEN THE PRESENT SERVICES HAVE GOOD PATRONAGE..... ELSE, WE MAY LOSE THIS MODE.***
